AGENDA/ITEMS

OWNER

PRAYER

Sr. Carol Ann

Meeting opened with a prayer, including a special prayer for Joanie Carlson. Our Secretary has cancer, is on dialysis and is in critical condition.

MINUTES

Minutes for September 16, 2008 were read and corrected.

CONFIDENTIAL SURVEY

Sr. Carol Ann

Sister Carol Ann followed up on 7 problems and gave 2 problems over to our priests.

SENIOR BUSSING REPORT

Philippa, Audrey, Marlys and Janet reported on their findings at The Atrium, Scandia Shores, Summer Place, The Shores and Rosewood Estates. All, except for Scandia Shores felt that there was no need to bus them to Sunday Mass. Scandia Shores thought that there might be a need for a few residents.

We have tables the Bus Report for now. We have no money to support it.

SERVICES AT SENIOR AND NURSING HOMES

Our priests are too busy to have services for the homes. It was suggested that we might be able to get Jim Fallon, our seminarian, or the Crowleys, our Deacon and his wife, to do some of the services.

Lakeridge is the only Nursing Home that St. Odilia is responsible for servicing. We also provide Prayer Service for Rosewood. Sr. Carol Ann does Word Communion Service at Scandia Shores, when she is able to find the time.

REVENUE ENHANCEMENT

Stella reported that the PLC wants to hear from all Ministry Area Councils. Pastoral Care Council has not sent a reply, because we have no assignments. Claudette and Janet will send something, as soon as possible.

A=Adopted

I=In process of being adopted

A We provided more parking spaces for the handicapped.

A Befrienders serve 25 individuals who need visiting. This will cause a good feeling and may enhance to the contributions of the individuals or families.

A Provided "Community Programs of Support". This is a collection of names, addresses and phone numbers of all things that are available to parishioners of St. Odilia. This is a service that will help many to find the help that is needed.

I St. Odilia is in need of a Parish Nurse. The Endowment Fund provided money to educate a nurse for certification of a Parish Nurse. This has been completed. Pastoral Care Council is still looking for a way of putting in place a Parish Nurse. However, we have found no way to pay for it.

I PCC is exploring a way to put together a committee to study and act on solutions to Domestic Violence. PCC is not a group to directly enhance revenue. We are community builders.
