Registration Fee

Background/Rationale

In order to plan properly for the following academic year, it is important to know as accurately as possible the intended enrollment. We believe that people will enroll their students seriously when a registration fee is required.

Policy Statement

At the time of registration, each family must pay a family registration fee as indicated on the current tuition contract. This fee is not applied to the tuition cost. It is refundable only in the case of a student's relocation outside St. Odilia's attendance area. This fee will be reviewed and adjusted periodically.
