

The Faith Formation Ministry Area council is busy launching new programs to help grow community, activity and faith in the church. Let us know your thoughts!

Currently, we are working on young adult programs. The program would offer numerous events and opportunities for young adults to get together and have nights out to be social together and opportunities to discuss faith.

As we get this program off the ground, we are looking for:

- Feedback from young adults about:
 - Types of events they would like this program to include.
 - When would be the best time to have events and gatherings.
 - Any specific needs: times, daycare, locations
- People who want to play a part of helping plan and execute events.
 - This is a great way to grow your talents for your resume, make friends and help make a difference for many people in the church
 - Having volunteers to help with event planning is essential to making the young adult program work.

We realize everyone is busy and will offer opportunities and events with different levels of time commitment in hopes to meet everyone's needs.

Please fill out the [survey](#) to help us understand what you would like to see offered for events and if you would like to get involved.
